THE PLACES WE LIVE IN

People can live in villages, small towns, or big cities.

If a city is the place you live in, then you live in a multi-storey block of flats or a private cottage in the suburb of the city.

There are many high buildings in such big cities as Kyiv, Kharkiv, Lviv and Donetsk. There are more than thirty storeys in such houses, that's why people call them skyscrapers. There is usually a lift in a skyscraper to help you get to the top of that building.

Many people live in small towns and villages. They have got their private houses or cottages. There is usually a garden with many vegetables and fruit trees in it. People like to work in their gardens.

5. Answer the questions given below.

1. Do you live in a flat or a private house?
2. What floor is your flat on?
3. How many storeys are there in the building you live in? Is there a lift in it?

Buggy: Well, I like football. I watch it and play it. I also like to watch boxing and rowing. But I hate swimming and basketball.

KINDS OF SPORTS AND COMPETITIONS

You can imagine the different kinds of sports people play in the world as preferences of the people are also different. Some of the sports fans are fond of archery, fencing or cycling, while others still like boxing, swimming or horse races.

If you are strong you may participate in wrestling or weightlifting, or even shot put, but if you are quick-witted you may be good at chess or draughts. You should be very attentive if you want to compete in tennis, especially table tennis. Of course you should practise a lot if you choose gymnastics or figure skating as your favourite kind of sport. You should also combine your artistic talent together with your physical strength. Those who are crazy about winter sports may consider skiing, ski jumping or skating. There is also a great variety of indoor team games.

Basketball, hockey, volleyball and especially football (or as Americans say — soccer) are very popular.

Stephanie: And cycling? What is cycling good for?

David: The legs. I like it because it is not expensive and I think it's relaxing.

Stephanie: You also do yoga. What do you like yoga for?

David: Yes. That's right. Yoga's good for many things, but very good for breathing. It's also very relaxing.

Stephanie: Well, but jogging isn't relaxing.

David: No, it isn't. But it's good for you if you want to lose weight and it's also very good for breathing. It's very good for the heart, too.

New Year's Eve is the time for merriment. At midnight bells ring, and friends exchange kisses. Everyone stays up late to celebrate the arrival of another year.

One of the noisiest and most crowded New Year celebrations takes place in New York City at Times Square. Thousands of New Yorkers gather there.

With the arrival of the New Year many Americans try to start a new life and give up bad habits. People talk about how they will “turn over a new leaf” in their lives. They make New Year resolutions, promise themselves and their families to improve their behaviour. The New Year arrival is a very serious and happy occasion for most Americans.

Lesson 6

Nature

1. Listen and read the text. Make up the outline of its plot.

WINTER

Winter is a wonderful season. On a bright winter day the nature is beautiful with trees covered by snow. We like winter for the snow and also for the best holidays of the year.

In winter when it is frosty most children like to play outdoors: they play snowball fights, make a snowman, sledge, skate and ski. But when the temperature is more than -10°C (minus 10 degrees Celsius) and it is windy, it is then better to stay indoors. Then it is not only cold to play, it is freezing and the snow squeaks under your boots when you walk. It's then better to put on warm clothes like a sweater, gloves and an anorak, and to wear winter boots on your feet.

The weather is also nasty at the end of winter when the snow melts and water is everywhere. There are streams and puddles of dirty water in the streets. Then we say it is a thaw. But we are not very upset because spring soon comes.

It	is was	cold sunny frosty windy hot	today. yesterday.
----	-----------	---	----------------------

2. Listen and read the text. Then answer the questions.

SPRING

Spring comes after winter. People say that the nature wakes up after the winter's sleep, it refreshes to become even more beautiful than the previous year. The first flowers — the snowdrops — appear from under the snow and the buds appear on the trees.

In early spring it is generally cool. Then it becomes warmer, the sun shines, but it occasionally rains, often even thunders with lightning. The spring rains, especially in May, are warm and necessary for the future harvest.

The schoolchildren finish their school year in late spring and look forward to their best season — summer.

1. What season does spring come after?
2. What does the nature do in spring?
3. Is it generally cool in late or early spring?
4. How often does it rain in spring?
5. What season comes after spring?

3. Listen and read the text. Say whether the following sentences are true or false. Correct the false sentences.

SUMMER

Summer is probably the most popular season among schoolchildren. It's the time for fun, entertainment and a good rest.

Most families try to go to the seaside to bathe and get suntanned, but some prefer to have their rest in the mountains and breathe fresh mountain air.

The weather is wonderful in summer in all parts of Ukraine. It is usually warm, sometimes hot. The sun warms the water in the sea, the rivers and lakes. If your family doesn't go to the seaside you can bathe in the river or lake in your town or village. The average summer temperature is +25–27 °C. It seldom rains. If it rains, it is still warm outside in summer.

When the schoolchildren are back to school in September they look healthy and ready to start a new academic year. They are also full of impressions from their summer holidays and eager to share them with their friends.

1. Summer is the most popular season among the parents.
2. Most families go to the mountains to bathe in the river and get suntanned.
3. When summer ends and the schoolchildren go to school they don't look tired or ill.
4. In summer the water is warm in a lake or river.
5. Summer is the time for new impressions and entertainment.
6. The schoolchildren don't like to say something about the time they spent during their summer holidays.
7. The new academic year starts in September.

4. Listen and read the text. Answer the questions.

AUTUMN

Autumn is another season, or as Americans call it — the fall. It is the time for the harvest. The fruit and vegetables are the tastiest in autumn. But it becomes colder and colder every autumn month. It is still warm in September, but it can even snow in late October. The leaves on the trees turn red and brown in October and then they fall in November. It often rains in autumn, sometimes it pours cats and dogs. The rain is usually cold and can last for several days. It is sometimes foggy in the mornings. The temperature is +5–10 °C.

The children don't go out as often as in summer or winter, because it is wet and cloudy outside. But the nature is very beautiful in early autumn. People often call this season golden autumn.

1. What is another name for autumn in the USA?
2. Can it snow in September?
3. What is the weather like in autumn?
4. Why don't the children go out much in autumn?
5. Does it often rain in autumn?
