WHAT'S THE TIME?

A vibrant rainbow arches over a stack of four colored pencils (blue, green, yellow, red).

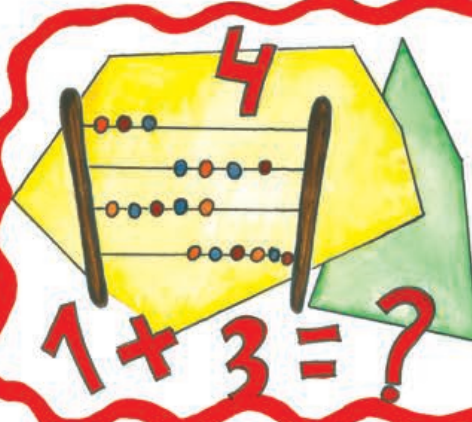

ART CENTRE

A yellow artist's palette with red, blue, and green paint spots, a paintbrush, and a palette knife are surrounded by colorful abstract shapes in pink, blue, and red.Two interlocking gears, one pink and one orange, are next to a yellow speech bubble.

TECHNOLOGY CENTRE

A computer monitor with a smiling face, a keyboard, and a mouse are shown.A smiling orange test tube and a purple Erlenmeyer flask with a face are next to a molecular model with red, blue, and green spheres.

SCIENCE CENTRE

A magnifying glass is focused on a small atom model with a red nucleus and orbiting electrons, with other molecular models nearby.An abacus with four rows of beads is next to a large red number 4. Below it is the math problem $1 + 3 = ?$.

MATHS CENTRE

A pink ruler with a face is next to a piece of paper with handwritten math problems, including $5 \times 2 = 10$ and $a + b = c$.
