An old man was walking through the forest with a dog running after him, and he ended up somehow losing his mitten.

Right after he lost it, a mouse scurried over. She climbed inside the mitten and said: "This is a perfect place for me to live!"

A wolf cub crept over to the mitten and asked: "Who's living in this mitten?"

Might you be?"

"I'm Baby Brother Wolf. Please let me in!" "Come on inside!" So, he did – and there were five of them now.

He ran and ran, and saw the mitten lying there and stirring. The dog kept barking: "Bow-bow-bow!" All the animals became so frightened that they bolted out of the mitten and rushed every which way into the forest.

And the old man went over to pick up his mitten.
